OVERVIEW

Welcome to The Mandatory Training Group's online Emergency First Aid at Work training course for all sectors. All our online training courses, programmes and qualifications are accredited by the CPD Certification Service (CPDUK).

In its most basic form, first aid is the initial assistance given to a victim of injury or illness. Basic first aid knowledge is comprised of relatively simple techniques and procedures that can be performed with limited equipment and is typically carried out until professional medical assistance arrives.

Becoming first aid certified not only benefits you as an individual but it extends to your family, friends, co-workers and even the community as a whole.

Civility in the Workplace Training Course for Global Executives

"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."

Nicolle Billmyre, YPO, Texas, USA

Clinical Commissioning Group

Counter Fraud, Bribery and Corruption Training for NHS Providers

"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".

Harriet Griffiths, NHS City and Hackney CCG, London, UK

Accredited Training Courses, Programmes and Regulated Qualifications

"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".

Mansh Bhatti, Reed Courses, London, UK

“When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements”.

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

“All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent”.

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

Online Training and Development for the Public Sector

“We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial.”

David Sanchez, Eden Brown Synergy, London, UK

Blended Train the Trainer Courses for Healthcare Providers

“We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments”.

Kate McLoughlin, Nuffield Health, Bournemouth, UK
