Who is the course for?

This online Dementia Awareness training course should be completed by those who work in health and social care services, including:

- NHS medical, nursing, AHP and care staff
- Locum doctors and nurses
- Locum allied health professionals (AHPs)
- Agency nurses
- Agency workers
- Healthcare Assistants
- Support workers
- Care assistants
- Community services
- Allied Healthcare Workers
- Healthcare Assistants
- Social Care Support Workers
- Voluntary Staff working in the NHS.

Course aims

This online Dementia Awareness training course is aimed at individuals as well as health and social care staff to improve awareness of the importance of interacting with people who have dementia in a sensitive and understanding manner.

This online Dementia Awareness training course explains what dementia is, including the changes and symptoms and best practice for those who have caring roles.

Learning outcomes

On completion of this online Dementia Awareness training course, the learner will be able to understand:

- Define the term 'dementia',
- Have an awareness of the prevalence of dementia in the UK population,
- Identify signs of dementia and also explain how these signs may be associated with other conditions or circumstances,
- Explain why early diagnosis of dementia is essential,
- Support people who have dementia so that they can live fulfilling lives with their diagnosis,
- understand that each individual is unique and that dementia will not affect people in precisely the same way,
- Have an understanding of the impact of dementia on individuals living with dementia, their families, friends and society as a whole,
- Describe the changes that people with dementia and their families experience,
- Explain the many factors which influence the experience of living with dementia,
- Describe person-centred approaches to caring,
- Understand the importance of effective communication and showing compassion to people who have dementia,
- How to care for someone who is displaying challenging behaviour,
- The role of medication in dementia care,
- The fundamental principles of the Mental Capacity Act (MCA) and Deprivation of Liberty Safeguards (DoLS),
- Understand that signs of frustration and distress by a person who has dementia may be a means to communicate unmet needs,
- Be able to signpost individuals, families and carers to dementia advice, support and information, and
- To provide a FREE blended learning environment that is available to all individuals and businesses.

Course content

This online Dementia Awareness training course covers the following:

- Introduction to dementia,
- Dementia facts,
- What is dementia?
- Anatomy of the brain,
- What causes dementia,
- Symptoms of dementia,
- Types of dementia,
- How the brain is affected by dementia,
- Early diagnosis of dementia,
- Person-centred dementia care,

HOW IT WORKS?

Instant Access

- Gain instant access to your course(s) upon purchasing through our website
- Login credentials are sent immediately to the customer to the email address provided during the checkout process
- We also advise all customers to check their spam and junk mail folders in case your mail server has diverted the email there

Online Support 24/7

- Customer service teams interact with clients through email and live chat support.

Refund policy

- To request a refund, you should email our support team with your receipt stating why you would like to be reimbursed.
- You, or your learners, must not complete the training to make a valid refund claim.
- Any courses that have been completed and those with certificates achieved will not be valid for a refund.

Learn Anytime, Anywhere, On Any Device

- Learn at your own pace, at a time and place convenient to your circumstances
- Individual learners can access their course material(s) 24/7 for 365 days from the date of purchase
- In the case of organisations that order multiple licences for future use, the countdown will start when learners are allocated to the training course(s)

Assessment and Certification

- Unlimited attempts to complete end of course assessments
- On successful completion, download, print/save quality-assured CPD certificate

100% Money Back Guarantee

- We want you to be completely satisfied with your training. We offer a 14-day money-back guarantee if you are not 100% satisfied.

ASSESSMENT AND CERTIFICATION

End of course assessment

At the end of this course, learners are required to complete an online end of course assessment. On successful completion of the assessment (80% pass mark), learners may download a FREE CPD certificate from their profile page.

Certification

On successful completion of this e-learning course and end of course assessment, the learner may download, save and/or print a quality assured CPD certificate (recognised internationally). Our CPD certificate can be used to provide evidence for compliance and audit or Continuing Professional Development (CPD).

Course accreditation

The CPD Certification Service accredits all our online training courses and programmes as conforming to universally accepted Continuous Professional Development (CPD) guidelines. Our online training courses meet the latest guidance and best practice recommendations.

- Self-paced online learning
- Low carbon footprint through e-learning
- Repository of online learning materials and assessments
- Fully qualified and experienced trainers, instructors and assessors
- Experienced subject matter experts and content developers
- Conversion of existing classroom courses to e-learning courses
- All training courses meet the latest guidance and best practice recommendations.

Civility in the Workplace Training Course for Global Executives

"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."

Nicolle Billmyre, YPO, Texas, USA

City and Hackney

Clinical Commissioning Group

Counter Fraud, Bribery and Corruption Training for NHS Providers

"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".

Harriet Griffiths, NHS City and Hackney CCG, London, UK

Accredited Training Courses, Programmes and Regulated Qualifications

"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".

The CPD Certification Service

"When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements".

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

"All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent".

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

Online Training and Development for the Public Sector

"We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial."

David Sanchez, Eden Brown Synergy, London, UK

Blended Train the Trainer Courses for Healthcare Providers

"We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments".

Kate McLoughlin, Nuffield Health, Bournemouth, UK
