"Your Journey Starts Here"

ABOUT OUR COMPANY

The Learning Station is an established further education college and training provider. Based in London and registered with the RoATP. We provide courses in a number of subjects and deliver them in a learner centred manner utilising our proprietary learner management system to deliver Ofqual regulated courses, online, in-house and in blended learning formats.

Fully Regulated

All our qualifications are Ofqual regulated and accredited by popular awarding bodies inc City & Guilds, TQUK & Highfield.

Technology Led

We are proud of our learner management system and employ a small in-house development team to keep things running smoothly.

Trusted by 1000's

We've successfully delivered 1000's of courses and work with household names like Anglian Water, Clarion, BBC & Catch22.
