

# THE WORLD'S BIGGEST PROFESSIONAL BODY FOR ACCOUNTING TECHNICIANS

## AAT Level 3 Advanced Diploma in Accounting

The Association of Accounting Technicians (AAT) are the UK's leading professional body for accounting, bookkeeping and finance-based qualifications, awarding 90% of certifications in these areas.

They are globally recognised and have over 140,000 members in more than 90 countries.

Major organisations such as Sainsbury's, P&G, Morgan Stanley and the Ministry of Defence continue to hire AAT qualified members due to their knowledge, skills, diligence and enthusiasm.

The AAT Level 3 Advanced Diploma in Accounting is the ideal qualification for any current accounts professional looking to take the next step in their accounting career. The Advanced Diploma in Accounting has been specifically designed with people currently in accounting roles in mind, giving you the knowledge and skills to carry out tasks which will give you more responsibility.

## Who is it for?

The Advanced Diploma in Accounting is for people with significant experience in accountancy who are looking to validate their skills. Alternatively, if you already hold the Level 2 Foundation Certificate in Accounting and want to build your skillset, the Level 3 is the perfect next step.

### Key benefits

The status of AAT's qualifications means you could become an internationally respected Accountant or Bookkeeper who is sought-after by employers

The AAT Level 3 Advanced Diploma in Accounting will give you the opportunity to achieve professional AAT Bookkeeper status

You get a skillset which is transferable to any organisation. Companies in all industries need good Accountants and Bookkeepers

AAT qualifications are focused on giving you practical, real-world knowledge that you can utilise in your workplace

Your experienced AAT accredited tutor is there to support you every step of the way, just like us and the rest of our learning community who are available through forums and other discussion groups. You will get thorough and personal support whenever you need help.

### AAT membership benefits

Become regulated by AAT and run your own accountancy practice

Technical and ethical advice and support

Save money on everything from cinema tickets to holidays and insurance

Improve your career prospects

Achieve formal recognition of your skills and expertise with the AATQB designatory letters

Keep your knowledge and skills up-to-date through a range of CPD resources

Connect with fellow AAT members online who are in your area

### Support included

Tutor support is included via our Mentor+ programme where our AAT experts will be contactable 24/7 throughout the duration of the course to give you any guidance you need, ensuring you are not alone at any point in your journey with us.

All our online courses come with 24-hour customer support, Monday to Friday, should you need to get in touch.

## Delivery method

Study online | Instructive, interactive, step-by-step videos | Practical exercises | Glossary to ensure you are learning new terms and vocabulary easily | Tutor support available online via our Mentor+ platform

## Exams

Formats include multiple choice, selecting answers from a dropdown menu and typing numbers and text into form fields

The "Spreadsheets" section will use the Microsoft Excel software. You should let your assessment

centre know which version of Excel you are most familiar with.

Exam fees are not included in the course cost. Exams cost approximately £60-85 depending on the exam centre.

If you need any more information on the AAT exams, get in touch with one of our advisors.

## AAT student membership

The AAT require all students to join as a student member. AAT require you to register as a student member within 14 days of your course start date. This registration allows you to sit any necessary exams and take advantage of the support and resources available. The following items are not included in your course fees: £138 registration fee (£125 for international students), this can be included in your course fee with us, or you can pay AAT directly. If you are already a member, you may not be required to pay this fee. If you're unsure of your current membership status, get in touch with one of our course experts who can help.

## What jobs do I qualify for?

The AAT Level 3 Advanced Diploma in Accounting will qualify and validate your understanding of carrying out complex accounting tasks including maintaining cost accounting records and the preparation of reports and returns. You will be able to function in roles including Finance Officer, Accounting Assistant, and Bookkeeper.

You can earn promotions through delving further into the AAT qualification structure and gaining more experience. The average salary of an AAT qualified Accountant is around £30,000 per year.
