

THE WORLD'S BIGGEST PROFESSIONAL BODY FOR ACCOUNTING TECHNICIANS

Association of Accounting Technicians (AAT) Foundation Certificate in Accounting (Level 2)

The Association of Accounting Technicians (AAT) are the UK's leading professional body for accounting, bookkeeping and finance-based qualifications, awarding 90% of certifications in these areas.

They are globally recognised and have over 140,000 members in more than 90 countries. Major organisations such as Sainsbury's, P&G, Morgan Stanley and the Ministry of Defence continue to hire AAT qualified members due to their knowledge, skills, diligence and enthusiasm.

The AAT Level 2 Foundation Certificate in Accounting is the perfect starting place for a career in accounting. You will learn a range of accounting principles and techniques which will make your working day easier.

It is AAT's most popular accountancy qualification and offers a route to industry recognition for aspiring and current Accountants.

Who is it for?

AAT courses are perfect if you are looking to start a career in accountancy or bookkeeping with a qualification from a world-renowned awarding body under your belt. Due to the qualification structure of AAT, it's also ideal for any current professional looking to validate their knowledge to secure a promotion. AAT will teach you the skills to become a recognised Accountant, Bookkeeper or member of an accounts department.

Key benefits

The status of AAT's qualifications means you could become an internationally respected Accountant or Bookkeeper who is sought-after by employers

AAT qualifications are focused on giving you practical, real-world knowledge that you can utilise in your workplace

95% of our students pass their AAT exams thanks to the quality of our accredited AAT and Sage materials

Official Sage courseware and certificate included in the course

You get a skillset which is transferable to any organisation. Companies in all industries need good Accountants and Bookkeepers.

AAT membership benefits

Become regulated by AAT and run your own accountancy practice

Technical and ethical advice and support

Save money on everything from cinema tickets to holidays and insurance

Achieve formal recognition of your skills and expertise with the MAAT designatory letters

Keep your knowledge and skills up-to-date through a range of CPD resources

Connect with fellow AAT members online who are in your area

Improve your career prospects

Syllabus

Processing Bookkeeping Transactions | Control Accounts, Journals and the Banking System | Basic Costing
Work Effectively in Accounting and Finance | Computerised Accounting

Delivery method

Study online | Instructive, interactive, step-by-step videos | Practical exercises | Tutor support included online via our Mentor+ platform | Quizzes and practice assessments

Exams

Our AAT courses do not include exam fees, as these need to be paid directly to AAT test centres.

However, we will work with you to help book your exam and ensure that everything goes smoothly.

Prerequisites

You need to be over 18 to enrol on our Foundation Certificate in Accounting, however there are no other prerequisites for this AAT course.

We do recommend that you have a good grasp of English and maths, and an interest in working with finances.

What jobs do I qualify for?

AAT qualifications lead to career opportunities within the accounting and bookkeeping industries in roles including:

Bookkeeper	Accounts Payable Clerk
Accounts Administrator	Trainee Accounting Technician
Purchase/Sales Ledger Clerk	Accounts Assistant

You can earn promotions through delving further into the AAT qualification structure and gaining more experience. The average salary of an AAT qualified Accountant is around £30,000 per year. Source: Payscale

Yohan Mudalige

Excellent course structure, easy to navigate and content helps to understand complex methods in simple form. Support teams have also been extremely helpful. Highly recommend e-Careers.

Sonia Fargher

Excellent experience, great tuition and feedback, customer service. Don't hesitate, courses are by far the most reliable and convenient learning resources - just go do it, you won't regret it!

"e-Careers answered our questions in a timely manner, as well as resolving issues quickly, and it was a pleasure to work with e-Careers to deliver a successful training course for 12 Maersk employees."
