# FAQs

## ✓ Who can take this course?

Anyone who has an interest in working in this field is encouraged to take the course. There are no entry requirements to take the course.

## ✓ What is the structure of the course?

The course is broken down in to modules. Each module takes between 10 and 60 minutes on average to study. Although you are free to spend as much or as little time as you feel necessary on each module, simply log in and out of the course at your convenience.

## ✓ Is there a test at the end of the course?

Once you have completed all modules there are multiple choice questions test. The questions will be on a range of topics found within the modules. The test, like the course, is online and can be taken a time and location of your choosing.

## ✓ What is the pass mark for final the test?

The pass mark for the test is 65%

## ✓ What happens if I fail the test?

If you don't pass the test first time you will get a second opportunity to take the test again after further study.

## ✓ When will I receive my certificate

Once you have completed your test you can log in to your account and download and print your e-certificate any time you need it. If you would prefer us to post you a printed certificate, there will be an admin charge of £29

## ✓ How can I pay?

We use PayPal for all payments on the site. You can either use your Visa, MasterCard, American Express, Solo cards or PayPal account to pay for the online course. All payments are handled securely by PayPal. We also accept bank transfer (BACs). Please contact us for more information about this

## ✓ Is my payment secure?

As previously mentioned your payment is totally secure. We don't get to see your payment details
