## OVERVIEW

Welcome to The Mandatory Training Group's online Civility in the Workplace training course. All our online training courses, programmes and qualifications are accredited by the CPD Certification Service (CPDUK).

While a training course on workplace manners and courtesy may seem like overkill, the reality is: rudeness is an epidemic costing industry millions a year. Indeed, what society seems to be gaining in terms of both knowledge and technological advancement, it is losing out on fundamental social values that directly impact the bottom line.

To address the growing problem of incivility in the work setting, this online Civility in the Workplace training course introduces the concept of civility, its importance to a company, as well as its typical causes and effects. Skills needed to effectively practise civil behaviour, as well as different ways organisations can systematise civility in the workplace will also be discussed. The benefits of civility in the workplace are countless and will pay off immensely in every aspect of your job.
