## OVERVIEW

Welcome to The Mandatory Training Group's online Generation Gaps training course. All our online training courses, programmes and qualifications are accredited by the CPD Certification Service (CPDUK).

While having various cultures in one workplace can present communication problems and conflicts, the benefits of such a variety in the workplace outweigh it. The workplace can present challenges to management in terms of handling the different generations present. As older workers delay retiring and younger workers are entering the workforce, the work environment has become a patchwork of varying perspectives and experiences, all valuable to say the least.

This online Generation Gaps training course will help learners understand the various generations present at work.
