The CPD Certification Service

OVERVIEW

Welcome to The Mandatory Training Group's online Risk Assessment and Management training course. All our online training courses, programmes and qualifications are accredited by the CPD Certification Service (CPDUK).

It is not possible to control or manage 100% of the risks, but knowing what to do before, during, and after an event will mitigate the damage and harm. Identifying potential hazards and risks and making it part of the day to day business is essential. Safety should be the priority as every business must face the reality of risks and hazards.

Through our online Risk Assessment and Management training course, learners will be aware of hazards and risks they didn't realise were around their workplace. Identifying hazards through proper procedures will provide learners with the ability to prevent that accident before it occurs. Limiting and removing potential dangers after undertaking a thorough risk assessment will be an incredible investment.

Risk Assessment and Management – E-Learning Course — CPDUK Accredited

Why is this online Risk Assessment and Management training course essential?

All businesses and non-profit organisations face the unexpected risk events, such as a natural disaster, loss of funds through theft, or injury to staff, customers, or visitors on your premises, could impact operations. Any of these events can cost your organisation money or cause your organisation to permanently close.

With a risk management plan, you can prepare for the unexpected, minimising risks and extra costs before they happen. By considering potential risks or events before they happen and having a risk management plan in place, you can save money and protect your organisation's future.

HOW IT WORKS

Instant Access

- Gain instant access to your course(s) upon purchasing through our website
- Login credentials are sent immediately to the customer to the email address provided during the checkout process
- We also advise all customers to check their spam and junk mail folders in case your mail server has diverted the email there

Online Support 24/7

- Customer service teams interact with clients through email and live chat support.

Refund policy

- To request a refund, you should email our support team with your receipt stating why you would like to be reimbursed.
- You, or your learners, must not complete the training to make a valid refund claim.
- Any courses that have been completed and those with certificates achieved will not be valid for a refund.

Learn Anytime, Anywhere, On Any Device

- Learn at your own pace, at a time and place convenient to your circumstances
- Individual learners can access their course material(s) 24/7 for 365 days from the date of purchase
- In the case of organisations that order multiple licences for future use, the countdown will start when learners are allocated to the training course(s)

Assessment and Certification

- Unlimited attempts to complete end of course assessments
- On successful completion, download, print/save quality-assured CPD certificate

100% Money Back Guarantee

- We want you to be completely satisfied with your training. We offer a 14-day money-back guarantee if you are not 100% satisfied.

ACCREDITATION

End of course assessment

At the end of this course, learners are required to complete an online end of course assessment. On successful completion of the assessment (80% pass mark), learners may download a FREE CPD certificate from their profile page.

Certification

On successful completion of this e-learning course and end of course assessment, the learner may download, save and/or print a quality assured CPD certificate (recognised internationally). Our CPD certificate can be used to provide evidence for compliance and audit or Continuing Professional Development (CPD).

Course accreditation

The CPD Certification Service accredits all our online training courses and programmes as conforming to universally accepted Continuous Professional Development (CPD) guidelines.

- Self-paced online learning
- Low carbon footprint through e-learning
- Repository of online learning materials and assessments
- Fully qualified and experienced trainers, instructors and assessors
- Experienced subject matter experts and content developers
- Conversion of existing classroom courses to e-learning courses
- All training courses meet the latest guidance and best practice recommendations.

Civility in the Workplace Training Course for Global Executives

"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."

Nicolle Billmyre, YPO, Texas, USA

City and Hackney

Clinical Commissioning Group

Counter Fraud, Bribery and Corruption Training for NHS Providers

"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".

Harriet Griffiths, NHS City and Hackney CCG, London, UK

Accredited Training Courses, Programmes and Regulated Qualifications

"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".

Mansh Bhatti, Reed Courses, London, UK

"When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements".

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

"All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent".

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

Online Training and Development for the Public Sector

"We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial."

David Sanchez, Eden Brown Synergy, London, UK

Blended Train the Trainer Courses for Healthcare Providers

"We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments".

Kate McLoughlin, Nuffield Health, Bournemouth, UK
