The CPD Certification Service

OVERVIEW

Welcome to The Mandatory Training Group's online Control of Substances Hazardous to Health (COSHH) training course for all sectors. This Control of Substances Hazardous to Health (COSHH) Regulations e-learning course was developed in line with the latest UK legislation and meets the requirements set out by the Health and Safety Executive (HSE) and other professional and regulatory bodies.

Our online COSHH training courses are developed in line with the Health and Safety Executive (HSE) regulations. Despite common misconceptions, hazardous substances can affect anyone within the workplace, not just those who handle them regularly. This COSHH course gives workers knowledge of the health risks surrounding work with hazardous substances, including how to undertake risk assessments and implement control measures

Control of Substances Hazardous to Health (COSHH) - E-Learning Course - CPD Accredited

- Study method – Online, self-paced
- Estimated duration (Indicative CPD hours) – 2 hours

Who is the course for?

This online Control of Substances Hazardous to Health (COSHH) training course provides suitable training for all levels of employees who work or may come into contact with hazardous substances in the workplace (across all sectors).

- Printing
- Welding
- Cleaning
- Agriculture
- Engineering
- Woodworking
- Healthcare & social care
- Catering and baking
- Beauty and hairdressing
- Vehicle repair and painting
- Offshore oil and gas

Course aims

The aims and objectives of this online Control of Substances Hazardous to Health (COSHH) training course are to give workers knowledge of the health risks surrounding work with hazardous substances, including how to undertake a COSHH assessment by identifying the risks and the control measures needed, and ensure that they understand how to work safely with hazardous substances.

Learning outcomes

On completion of this online Control of Substances Hazardous to Health (COSHH) online training course, the learner will:

- Know how to identify hazardous substances in the workplace,
- Understand the ill-health effects that hazardous substances can cause,
- Understand COSHH legal regulations, including the responsibilities of employers and employees,
- Know what to consider for a COSHH risk assessment, and
- Understand the importance of health surveillance for employees who work with hazardous substances.

What is covered in this course?

This online Control of Substances Hazardous to Health (COSHH) training course includes the following:

An introduction to COSHH, including:

- What is a substance hazardous to health, and where do they exist?
- Common hazardous substances
- How substances result in ill-health

COSHH Legal Regulations including:

- The Control of Substances Hazardous to Health Regulations 2002
- The CLP regulations
- ACoPs and guidance notes
- Enforcement of health and safety law
- Employer and employee responsibilities

Problems that result from hazardous substances

- Common health hazards
- The occupations most at risk
- COSHH routes of entry
- Common health problems including dermatitis, asthma
- What to do if you develop symptoms
- Reporting Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR)

Identifying hazardous substances

- Requirements for chemical labelling
- Safety data sheets
- Safe use of flammable substances, liquids, dust and gases
- Asthma-causing substances
- Asbestos and lead

COSHH risk assessment and control measures

- Identifying the COSHH hazards
- Deciding who might be harmed and how
- Evaluating the COSHH risks
- Substance substitution
- Principles of good control practice
- Hierarchy of control measures
- Work processes and equipment
- Personal protective equipment
- Safe systems of work
- The provision for emergencies and first aid

Monitoring the assessment and health surveillance

- Recording findings
- Reviewing and updating the assessment
- Monitoring the assessment
- Health surveillance
- Workplace Exposure Limits (WELS).

Why is this online COSHH training course essential?

Control of Substances Hazardous to Health (COSHH) is a law that requires employers to control substances that are hazardous to health. You can prevent or reduce workers exposure to hazardous substances by:

- Finding out what the health hazards are;
- Deciding how to prevent harm to health (risk assessment);
- Providing control measures to reduce damage to health;
- Making sure they are used ;
- Keeping all control measures in good working order;
- Providing information, instruction and training for employees and others;

Most businesses use substances or products that are mixtures of substances. Some processes create substances. These could cause harm to employees, contractors and other people.

HOW IT WORKS

Instant Access

- Gain instant access to your course(s) upon purchasing through our website
- Login credentials are sent immediately to the customer to the email address provided during the checkout process
- We also advise all customers to check their spam and junk mail folders in case your mail server has diverted the email there

Online Support 24/7

- Customer service teams interact with clients through email and live chat support.

Refund policy

- To request a refund, you should email our support team with your receipt stating why you would like to be reimbursed.
- You, or your learners, must not complete the training to make a valid refund claim.
- Any courses that have been completed and those with certificates achieved will not be valid for a refund.

Learn Anytime, Anywhere, On Any Device

- Learn at your own pace, at a time and place convenient to your circumstances
- Individual learners can access their course material(s) 24/7 for 365 days from the date of purchase
- In the case of organisations that order multiple licences for future use, the countdown will start when learners are allocated to the training course(s)

Assessment and Certification

- Unlimited attempts to complete end of course assessments
- On successful completion, download, print/save quality-assured CPD certificate

100% Money Back Guarantee

- We want you to be completely satisfied with your training. We offer a 14-day money-back guarantee if you are not 100% satisfied.

WHY CHOOSE OUR ACCREDITED E-LEARNING COURSES?

The benefits of using our accredited e-learning courses in the workplace include:

- CPDUK accredited e-learning provider
- Ofqual approved training centre (UK qualifications)
- Internationally recognised CPD and Ofqual approved certificates
- Wide range of courses and qualifications that meet UK legislation and guidelines
- Over 500 online courses and programmes that cover multiple sectors
- Free blended learning environment for individuals and organisations
- Immediate access to online courses and programmes
- Highly interactive e-learning portal
- Substantial cost reductions (no travel fees and other expenses)
- Self-paced online learning
- Low carbon footprint through e-learning
- Repository of online learning materials and assessments
- Fully qualified and experienced trainers, instructors and assessors
- Experienced subject matter experts and content developers
- Conversion of existing classroom courses to e-learning courses
- All training courses meet the latest guidance and best practice recommendations.

Civility in the Workplace Training Course for Global Executives

"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."

Nicolle Billmyre, YPO, Texas, USA

City and Hackney

Clinical Commissioning Group

Counter Fraud, Bribery and Corruption Training for NHS Providers

"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".

Harriet Griffiths, NHS City and Hackney CCG, London, UK

Accredited Training Courses, Programmes and Regulated Qualifications

"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".

Mansh Bhatti, Reed Courses, London, UK

“When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements”.

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

“All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent”.

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

Online Training and Development for the Public Sector

“We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial.”

David Sanchez, Eden Brown Synergy, London, UK

Blended Train the Trainer Courses for Healthcare Providers

“We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments”.

Kate McLoughlin, Nuffield Health, Bournemouth, UK
