### Who is the course for?

This online Paediatric First Aid training course is suitable for those who care for/look after/work with babies, children and young people in any professional setting, including:

- Nannies,
- Child-minders,
- Nursery workers,
- Au pairs,
- Teachers, and
- Sports and community clubs

This online Paediatric First Aid training course meets the early years (EYFS) and childcare registration requirements.

This online Paediatric First Aid training course is also suitable for people who do not need first aid training for work reasons but would like to learn first aid for babies and children. The following groups will also find this course useful:

- New and expectant parents,
- Grandparents, and
- Carers and caregivers.

Our online Paediatric First aid training courses are also suitable for healthcare and social care staff.

### Course aims

The aims and objectives of this online Paediatric First Aid training course are to improve learners' understanding of their responsibilities, current UK legislation and best practice guidance.

## Learning outcomes

This online Paediatric First Aid training course also includes basic first aid skills, details on accident reporting, and administering medication for those working in a childcare setting. On completion of this paediatric first aid training course, learners will:

- Understand the role and responsibilities of the paediatric first aider,
- Be able to assess an emergency safely,
- Be prepared to provide first aid for an infant and a child:
  - Who is unresponsive and breathing normally, including a child and infant resuscitation,
  - Who is unresponsive and not breathing normally,
  - Who has a foreign body airway obstruction,
  - With external bleeding, and
  - With injuries to bones, joints and muscles.
- Understand how to administer emergency first aid to an infant and a child with a chronic medical condition or sudden illness:
  - Diabetic emergencies,
  - Asthma attack,
  - Allergic reaction,
  - Meningitis, and
  - Febrile convulsions.
- Understand how to administer first aid to an infant and a child:
  - Who is experiencing the effects of extreme heat and cold,
  - Who has sustained an electric shock,
  - With burns or scalds,
  - Who has been poisoned,
  - Who has been bitten or stung,
  - With minor injuries, including cuts, grazes, bumps and bruises, small splinters and nose bleeds,
  - With conditions affecting the eyes, ears and nose,
  - With head and spinal injuries,
  - With anaphylaxis, and
  - Who is suffering from shock.
- Understand how to complete records relating to illnesses, injuries and emergencies.

## What is covered in this course?

This online Paediatric First Aid training course covers how to help a baby or child who:

- Is unresponsive and breathing,
- Is unresponsive and not breathing, including:
  - The chain of survival, and
  - The use of an automated external defibrillator (AED) on a child.
- Is choking,
- Is bleeding,
- Is burnt or has a scald,
- Has an object in their eye, ear or nose,
- Has hypothermia or heat exhaustion,

## HOW IT WORKS

### Instant Access

- Gain instant access to your course(s) upon purchasing through our website
- Login credentials are sent immediately to the customer to the email address provided during the checkout process
- We also advise all customers to check their spam and junk mail folders in case your mail server has diverted the email there

### Online Support 24/7

- Customer service teams interact with clients through email and live chat support.

### Refund policy

- To request a refund, you should email our support team with your receipt stating why you would like to be reimbursed.
- You, or your learners, must not complete the training to make a valid refund claim.
- Any courses that have been completed and those with certificates achieved will not be valid for a refund.

### Learn Anytime, Anywhere, On Any Device

- Learn at your own pace, at a time and place convenient to your circumstances
- Individual learners can access their course material(s) 24/7 for 365 days from the date of purchase
- In the case of organisations that order multiple licences for future use, the countdown will start when learners are allocated to the training course(s)

### Assessment and Certification

- Unlimited attempts to complete end of course assessments
- On successful completion, download, print/save quality-assured CPD certificate

### 100% Money Back Guarantee

- We want you to be completely satisfied with your training. We offer a 14-day money-back guarantee if you are not 100% satisfied.

## ACCREDITATION

### End of course assessment

At the end of this course, learners are required to complete an online end of course assessment. On successful completion of the assessment (80% pass mark), learners may download a FREE CPD certificate from their profile page.

### Certification

On successful completion of this e-learning course and end of course assessment, the learner may download, save and/or print a quality assured CPD certificate (recognised internationally). Our CPD certificate can be used to provide evidence for compliance and audit or Continuing Professional Development (CPD).

### Course accreditation

The CPD Certification Service accredits all our online training courses and programmes as conforming to universally accepted Continuous Professional Development (CPD) guidelines.

The badge is a white rounded rectangle with a dark blue border. On the left, there is the CPD logo (three interlocking circles) and the Mandatory Training Group logo (two stylized figures). In the center, the text reads 'Corporate Member' in large blue font, followed by 'The CPD Certification Service' in smaller blue font, and 'CPDUK Corporate Membership Number- 11177' at the bottom. On the right, there is the 'CPD CERTIFIED' logo in purple, with 'The CPD Certification Service' and 'Collective Mark' below it.

- Self-paced online learning
- Low carbon footprint through e-learning
- Repository of online learning materials and assessments
- Fully qualified and experienced trainers, instructors and assessors
- Experienced subject matter experts and content developers
- Conversion of existing classroom courses to e-learning courses
- All training courses meet the latest guidance and best practice recommendations.

### Civility in the Workplace Training Course for Global Executives

*"YPO is the premier global leadership organisation for more than 28,000 chief executives in over 130 countries and the global platform for them to engage, learn and grow. We approached The Mandatory Training Group to develop an online training programme focusing on improving workplace civility. Their team developed excellent learning materials tailored to our organisational needs. With their support, we rolled out the civility in the workplace training programme to over 300 executives around the world."*

Nicolle Billmyre, YPO, Texas, USA

### City and Hackney

Clinical Commissioning Group

### Counter Fraud, Bribery and Corruption Training for NHS Providers

*"NHS City and Hackney Clinical Commissioning Group (CCG) is an NHS organisation led by local GPs. The Mandatory Training Group provided us with tailored courses focussing on tackling fraud, corruption and bribery for all our staff across various sites. The e-learning courses helped us to meet statutory and regulatory requirements".*

Harriet Griffiths, NHS City and Hackney CCG, London, UK

### Accredited Training Courses, Programmes and Regulated Qualifications

*"Reed is the largest platform for jobs, recruitment and courses in the UK. The Mandatory Training Group is one of our most trusted providers of continuing professional development (CPD) programmes and regulated qualifications. They have provided us with a wide range of learning materials ranging from soft skills, personal development, health and safety, among others. These courses help many job seekers to improve their skills and comply with the current UK and European laws".*

Mansh Bhatti, Reed Courses, London, UK

*“When we set up our business, we were looking for a reliable training provider for the healthcare multi-disciplinary team (MDT). We worked with The Mandatory Training Group to establish our training needs for each group of professionals. Their experience was invaluable, helping us to design new courses and assessments to meet the commissioners' and regulatory requirements”.*

Anne Joy, OSD Healthcare, Hemel Hempstead, UK

Healthcare choice for **everyone** **Statutory and Mandatory Training for Healthcare Providers**

*“All our senior clinicians were delighted with the delivery of the mandatory training courses. They found the course leaders to be very flexible with allocating more time to certain areas at request. The course contents that LearnPac had designed were tailored to our workforce, which helped them improve their understanding of the subjects. The application of legislative concepts to practice was excellent”.*

Sophie Hartley-Jones, OneHealth Group, Sheffield, UK

**Online Training and Development for the Public Sector**

*“We work with various public sector organisations. Statutory and mandatory training is essential for all our placements. We used LearnPac for the blended learning environment they provide for our staff. The online statutory and mandatory training courses adequately meet our regulatory requirements. LearnPac's learning management system enabled us to manage our learners and quickly sort out compliance for our workers. The flexibility of pricing and meeting our needs with the mandatory training was beneficial.”*

David Sanchez, Eden Brown Synergy, London, UK

**Blended Train the Trainer Courses for Healthcare Providers**

*“We were looking to provide resuscitation and first aid training for clinical and non-clinical staff internally. The Mandatory Training Group stood out because they provide comprehensive blended learning solutions. Our internal trainers and facilitators were able to complete the theory training and assessments in advance. The practical sessions were packed with meaningful activities throughout the day. The lead trainers also helped us to complete training needs assessments”.*

Kate McLoughlin, Nuffield Health, Bournemouth, UK
