A Message From...

Our Founder

We believe that the professional training industry requires positive disruption and the well documented skills-gaps need addressing, fast. Technology driven solutions will need to be adopted by all, everywhere if we are to tackle this head-on.

Jazz Gandhum

Founder UK Entrepreneur of the Year, 2017

Our Chairman

At e-Careers we will continue to be a leader in the innovation of the latest training programmes, developed by the best instructors, utilising the most effective methods of delivery. The world around us is changing at an unprecedented rate and we all have a duty to keep ourselves up-skilled, ensuring we all play a key-role in driving our economies forward.

Professor Sir Eric Peacock

CMG DL, Chairman

Our Patron

Education is a right for everybody. Irrespective of company, country, community or culture. I am proud to support the e-Careers vision of making professional qualifications engaging, effective, accessible and affordable for all.
