INTERMEDIATE ADOBE INDESIGN

TWO DAY COURSE Course Code: AID02

f Ƴ in

The Platform Intermediate Adobe InDesign course builds on what you have learnt during our Introduction to Adobe InDesign course. If you have a basic understanding of Adobe InDesign already, then this is the course for you. Based at our central London studios, you will learn powerful layout and typographical controls including how to work with layers, how to create multipage documents, using clipping paths and working with master pages.

Content

The course covers the following application functions

- » Working with Master Pages
- » Exporting and Print
- » Working with Transparency and Shadows
- » Using the Page Tool
- » Formatting Copy
- » Navigation shortcuts
- » Working With Layers, Grids and Guides
- » Transforming Objects
- » Laying out Pages
- » Working with Text and Finessing Content
- » Text Frames
- » Working With Graphics

Requirements

This Intermediate Adobe InDesign short course is ideal for anyone who is already using InDesign and now wishes to progress to a professional level. We also offer an introductory course for those who are completely new to Adobe InDesign and an Advanced Adobe InDesign course for more demanding users. All courses take place at our central London design studios. You can also choose to take One-to-One tuition with one of Platform's expert and professional tutors.

Class size max 6 students | 10am - 4pm | Price £400.00
