

ADOBE ILLUSTRATOR FASHION DESIGN ONE DAY COURSE

Course Code: AFT02

This one day Adobe Illustrator Fashion design course was developed in conjunction with industry experts specifically for the needs of fashion and textile designers. The course focuses on creating repeating patterns and the drawing capabilities of Illustrator. It would also be useful for tile designers or for anyone interested in learning how to create incredible repeating patterns with Illustrator. At our Central East London studios, Platform's expert tutors will give you a good grounding in essential Adobe Illustrator skills. We'll guide you through how to work with colours, gradients, layers, fonts and photos. You'll soon be able to create eye-catching fashion designs.

Content

The course covers the following application functions

- » Overview of Adobe Illustrator
- » Creating / transforming objects
- » Using Layers
- » Creating and editing patterns
- » Using the Appearance Panel
- » Creating stitches, straps, buckles, zips
- » Textures and Effects
- » Drawing flats and apparel
- » Working with clipping masks
- » Live trace drawings
- » Export and output options

Requirements

Platform's Adobe Illustrator Fashion and Textile Design course is suitable for users who already have at least a basic knowledge of Adobe Illustrator. You may wish to consider one-to-one training or one of the other Adobe Illustrator courses we run at platform's London design studios: Introduction to Adobe Illustrator or Intermediate Adobe Illustrator.

Learning Outcomes

Completing this course will enable you to

- » Create professional fashion specs for pattern cutting
- » Create custom brushes for buckles, straps, zips and stitching
- » Turn your artwork into stunning repeat patterns
- » Effectively manage pattern swatches
- » Professionally manage colour and colour swatches
- » Use offset paths for making accurate stitch guides

Class size **max 6 students** | **10am - 4pm** | **Price £400.00**
