

Course Objectives

This Word Processing course covers the essential topics relating to using a word processing application for everyday use. It's suitable for complete beginners.

By the end of this course you will be able to create and edit documents, format them and insert tables and images. You will learn how to prepare a mail merge too. Checking spelling and printing is also covered.

Estimated Course duration is 2 - 3 hours. Each lesson takes on average 3-5 minutes to complete.
