Tourism Management

Course Handbook

Qualification

Qualifi Level 5 Diploma in Hospitality and Tourism Management

Ofqual Number

603/4404/0

Level

4

Total Qualification Time

1200

Credit Value

120

Aim of the Course

The qualification deals with complex and challenging organisational issues and opportunities. The units are closely linked to current day real world and work challenges and the qualification will test and develop learners' workplace experience and abilities. The qualification will require learners to make judgements and provide creative and practical solutions and ways of responding to organisational challenges and problems. An action based approach will be sought and learners who have strong motivation to progress in their chosen career and business pathway will gain significantly from the qualification. The Level 5 units are also designed to dove-tail into a top-up undergraduate year at a UK University.

Assessment

Assessment is through practical assignments, with no exams - to more accurately reflect the real working environment.

UNIT SPECIFICATIONS

Unit Title

Research Project

Level

5

Learning Time Hours

300

Credit Value

30

Unit aim

This unit is designed to develop learner skills in carrying out independent research and enquiry into a research topic. Learners will investigate the research techniques and methods and elements needed to carry out research, together with the various theories that underpin formal research. Learners should seek approval from their tutor before starting their research project.

Learning outcomes and assessment criteria

In order to pass this unit, the evidence that the learner presents for assessment needs to demonstrate that they can meet all the learning outcomes for the unit. The assessment criteria determine the standard required to achieve the unit.

Learning Outcome	Assessment Criteria
1. Develop a research proposal.	1.1 Outline a potential research proposal. 1.2 Address the factors that contribute to the process of selecting a research project. 1.3 Develop a research project proposal including a critical review of the key resources. 1.4 Develop an appropriate plan and procedures to carry out the agreed research proposal.
2. Carry out a research project considering the relevant aspects.	2.1 Develop the research questions and hypothesis and match the resources efficiently. 2.2 Undertake the proposed research project using suitable methods. 2.3 Record and collect relevant data.
3. Evaluate and present the outcomes of the research project.	3.1 Apply suitable research techniques to evaluate the outcomes of the research project. 3.2 Interpret the outcomes to form conclusions and recommendations for future projects. 3.3 Present the outcomes of the research to the target audience using an appropriate format and media.
