## Overview

The TQUK Level 5 TEFL Certificate in Teaching English as a Foreign Language (RQF) is a standalone qualification that provides all the in-depth skills you need to teach English as a second language.

This qualification is regulated by Ofqual (The Office of Qualifications and Examinations Regulation). This means that the UK government has approved the qualification, considering it equivalent to the following: a diploma of higher education (DipHE), a foundation degree, 2 years at university and the CELTA and Trinity CertTESOL qualifications.

## The benefits of studying with us

- Flexible and fully online distance learning qualification, meaning you can study and become certified in your own time.
- Internationally recognised certificate.
- Free lifetime access to a growing library of CPD accredited online courses, worth hundreds of pounds.
- Full recruitment service through our sister company The International Teaching Partnership.

## About the qualification

This course is suitable for

- Learners wishing to develop the skills and knowledge to specialise in the teaching of English to speakers of other languages.
- Those who want to become TEFL qualified teachers from the comfort of their own home.

The qualification will develop learners knowledge of:

- The English language and how to teach it
- How to assess the needs of learners
- Preparing lesson plans and schemes of work
- Resources and materials
- Adapting resources and lessons to meet the needs of younger learners

This qualification consists of 11 mandatory units, which cover the teaching and learning of English as a foreign language. Learners must achieve all 29 credits from the 11 mandatory units to pass. You will cover the following units:

- Principles of Teaching English as a Foreign Language
- Understanding English Grammar
- Teaching English Grammar
- Teaching English Vocabulary
- Teaching Productive Skills:
- Speaking and Writing
- Teaching Receptive Skills:
- Listening and Reading
- Materials and Aids for Teaching English
- Teaching Pronunciation of English
- Lesson Planning for Teaching
- English as a Foreign Language
- Teaching English as a Foreign Language to Young Learners
- Using Resources Effectively

Academic referencing e.g. using quotes from text books within learners' work is a requirement for this qualification, at level 5. Learners must include references in a bibliography.

## How does the course work?

- Once enrolled, you can start your training immediately – there's no need to wait.
- All required learning materials are included in the course fee and are available to download from your online student portal.
- Designed to fit around your existing schedule, you can access course content 24/7 and receive personalised feedback from your online tutor on every assignment submission.
- The course must be completed within 7 months of the start date. We find that the majority of students are able to complete our Level 5 TEFL Course in 12 to 16 weeks.
- After the successful completion of the course learners will receive their internationally recognised certificate.

## Course fee

**£795.** This is payable upfront or you can spread the cost interest free with monthly payments. You will only be able to obtain your certificate once all fees are paid.
