

Course Overview

This OTHM Level 7 Postgraduate Diploma in Project Management provides learners with the core knowledge of managing projects at various strategic levels. The course will prepare you to deal with dynamic and complex business challenges when planning and improvising a project.

This course is specifically designed for mature learners who wish to pursue higher studies or professional development. This qualification covers clear work-related practical skills alongside theoretical fundamentals.

Eligibility Criteria

For entry in this course, learners must meet the following criteria:

A UK level 6 diploma, an honours degree, or an equivalent qualification.
The learner should be 21 or older at the time of enrollment.
Mature learners are also advised to have management experience.

English language requirement

Learners are expected to have English language proficiency of CEFR Level B2, this can be met in any one of the following ways:

Being a native English language speaker
Having achieved IELTS 5.5 or equivalent
Having done your last two years of schooling in English
Passing our online English language test

Duration and Delivery

The qualification is designed to be completed over one year of full-time study. However, we accommodate for completely flexible delivery, so that students can schedule their learning around other commitments such as work or family. The qualification is delivered online through our Virtual Learning Environment.

Assessment and Verification

All units within this course are internally verified by our assessors and externally verified by OTHM. This course is criterion-referenced, based on specific learning outcomes. To achieve a "PASS" for a unit, a student must complete the learning outcomes to meet the assessment criteria set by OTHM.

Equivalences

The Level 7 Diploma in Project Management qualification is based on the Regulated Qualifications Framework (RQF) equivalent to a Master's degrees. A Level 7 Diploma is shorter than a Masters degree, but learners can still get direct entry at dissertation level at a University's Masters programme.

Progression

This course enables students to progress to a professional career or higher studies. As this qualification is regulated and approved by Ofqual (Office of the Qualifications and Examinations Regulation), students are eligible to progress for Master's top-up programs at University of Chichester.
