

Overview

The Level 3 Award in First Aid at Work (RQF) aims to develop learner's knowledge, understanding and skills of first aid at work. The qualification will provide learners with the opportunity to administer first aid procedures in the workplace by becoming a qualified first aider.

The Level 3 Award in First Aid at Work (RQF) meets the Health and Safety Executive (First-Aid) Regulations 1981 in respect of First Aid at Work and is aimed at those who work or intend to work for a range of organisations. In achieving the Level 3 Award in First Aid at Work (RQF), all learners will cover essentials of First Aid, including roles and responsibilities, incident assessment and managing and administering First Aid to casualties in a variety of situations. This course will assist you regardless of your subject expertise, whether you teach music or coach people. The course is accredited by UK OFQUAL, and is delivered 100% online. We will offer 24x7 support to you.

Duration and Delivery

This course is designed to be completed online at the pace that suits you best. The fast-track level 3 course can take as little as 1 day or up to 2 days. This level 3 qualification is delivered through our Virtual Learning Environment. Our 24x7 online tutor support is there to facilitate you to achieve your success rate accordingly.

Assessment & Verification

All units within this assessing qualification are internally assessed by our qualified assessors and externally verified by the awarding organisation. The assessment takes the form of written assignments and demonstration of assessment skills through video recording, detailed guidance for which will be provided by the tutor.
