How this qualification will be assessed?

This qualification is assessed in two stages:

✔ Stage 1: Practical Assessment

The practical assessment is completed throughout the course delivery. During the practical assessment, delegates will be expected to demonstrate their ability to provide appropriate help to a casualty, manage the situation and seek appropriate assistance when necessary.

✔ Stage 2: Theoretical Assessment

Delegates will be required to answer a series of questions and achieve a pass in each element of the theoretical assessment in order to pass the qualification.

You must achieve a pass on each element.

Who is this Qualification for?

The course is essential for those wishing to obtain an industry Green site card. QCF Level 1 Award in Health and Safety in a Construction Environment for the CSCS Labourer Card
