

ATHE Level 7 Diploma in Healthcare Management

Qualification Number: 600/3405/1

Overview

Change is a distinctive characteristic of the Healthcare Sector and it is the strategic managers who should be the first to respond to, and support positive transformation.

The ATHE level 7 Qualifications in Healthcare Management provide strategic management skills for those planning to, or working in the healthcare sector both internationally and in the UK, including additional units that are specifically targeted at those working in the public sector. Skills that meet the changing environment of healthcare are the vision and research skills as well as the ability to manage continuous organisational improvement included in the ATHE Level 7 Diploma in Healthcare Management.

Mandatory Units

- Research for Senior Managers
- Managing Finance in the Public Sector
- International Healthcare Policy
- Manage Continuous Organisational Improvement
- Developing Organisational Vision and Strategic Direction
- Organisational Behaviour

Optional Units

- Human Resource Management
- Project Management

Entry Requirements

- These qualifications are designed for learners from aged 19 and above.
- A level 6 diploma or a bachelor's degree in healthcare management studies or business management
- An equivalent professional qualification from a recognised institution.
- Mature students with a minimum of two years' relevant work experience may be considered.

Assessment and Verification

All units within this qualification are internally assessed via assignments and externally verified by awarding organisation. There are no examinations in this course.

Course Material

Course materials, including presentations, handouts, assignment briefs, and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorial via emails, in order to support the learning.

Online Learning

The learner sets their own pace for their learning and the courses are offered on an academic year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible.

Progression

On successful completion of a Level 7 qualification in Healthcare Management there are number of progression opportunities

- Learner may progress to:
- larger qualifications at the same level e.g. from an award to certificate or to the Diploma in Strategic Management or the Diploma in Healthcare Management
- An MBA programme and claim exemptions for some of the units completed.

Certification

The Diploma is issued by the ATHE – Awarding Organisation. UK Versity Online Limited (Number 889) is an accredited and approved delivery Centre for ATHE qualifications.
