*The Future of Communications*

## ABOUT LSPR

Established in 1992, LSPR is a London-based world-class training provider.

We offer a range of scope and are focused on providing our clients with the skills they need to succeed and handle complex issues. Doing business with LSPR is straightforward, transparent, and based on competence and trust.

## OUR COMMITMENT

To provide a service to clients that is up-to-date, reliable, accurate, transparent, and evidence-based.

We will act in the interest of the whole business, developing any engagement from a needs-based relationship to a total trust-based collaboration

We want our clients to be comfortable and confident when handling issues and situations that are replete with ambiguity, and complexity.

## KEY OBJECTIVES

- Provide services and training, to ensure clients develop the necessary capabilities to defend, secure and develop their reputation within a knowledge economy
- Formulate critical insights relating to global risks and security issues linked to brand development, operations and protecting investments
- Develop executives' mind-sets through leadership and critical thinking skills, thereby improving decision-making
- Risk consulting, security and training services

## HOW WE TRAIN

LSPR has pioneered the use of hybrid training, which involves blending practical elements of management consultancy, and is interactive and practical.

**Duration:** Each course runs for 3 weeks, 3 days per week (10 am - 4 pm).

**Bolt-on courses:** if you are wishing to train for longer, it is possible to add additional elements to your course to run over 6 or 9 weeks.

## WHO WE TRAIN

In our 29 years of operation, LSPR trained thousands of clients from both the private and public sectors, ministries, defence and military personnel.

## WHERE WE TRAIN

LSPR has a prestigious central London location, in Kensington. We are close to many well-known London attractions such as Hyde Park and Kensington Palace, as well as many excellent hotels. We can also deliver training live online.

## OUR TRAINERS

Our training consultants come from a diverse range of business backgrounds, as well as the police force, security and military. Our trainers have significant experience in their specialist fields and have been selected for their operational exposure, critical thinking skills, understanding of key topics, and industry expertise.
