Introduction to Sage 50 Computerised Accounting & Bookkeeping Level 1

The Sage 50 Computerised Accounting & Bookkeeping Level 1 is designed for complete beginners and will equip learners with the expertise and knowledge in essential bookkeeping and accounting. Learners will gain up-to-date skills in accounting software required by employers. A high-demand qualification, many businesses, and companies rely on Sage software making it an industry-standard criterion.

The Sage 50 Computerised Accounting & Bookkeeping Level 1 simplifies and expedites a wide range of accounting tasks to ensure bookkeepers and accountants work quicker and more efficiently. Sage 50 can be applied from the simplest accounting tasks to maintaining complex financial systems.

Sage 50 Computerised Accounting & Bookkeeping Level 1 will offer insight on how to minimise the challenges of day-to-day accounting activities and meet the needs of small to medium-size businesses and corporate companies. Sage 50 gives learners the opportunity to advance in their career prospects in the finance and accounting sectors.

Testimonials

“

New tips and techniques

This was an excellent course for someone new to accounting and bookkeeping like myself. I gained an introduction to using computerised accounting software in financial and administrative duties

Alexander Rees

“

Useful in my work

As an accountant, I was very pleased with the standard of this course. It provided me with up to date skills that have enhanced my future prospects. Additionally, it's also useful for anyone who wants to run their own business
