

NATURAL HAIR STYLING

For Afro & Textured Hair

Learn how to weave cornrows, braid and twist on Afro hair. Perfect for complete Beginners. It is also suitable for anyone with previous skills and experience which you can use to update your skills.

CORNROWS, PLAITS & TWISTS

Beginner Level

Learn how to:

- Weave neat and painfree simple cornrows.
- Use proper hand coordination, positioning and movement techniques. (HCP&M).
- Provide basic hair care and brief product knowledge.
- Prep afro hair before styling.
- Continue on to create different patterns - zigzag, crossovers, heart shapes, stitch and more.
- Do flat twists, plaits and 2 strand twists, suitable for boys and men.
- Use accessories - beads, metal clips ..

** You are advised to attend a minimum of 3 workshops to attain skills that will meet professional standards. Full courses are available which contain more content and resources. **

Note: there is no use of extensions for this course as it is for complete beginners and those who want to refresh their previous skills to increase confidence.

BRAIDS, TWISTS & LOCS PATHWAYS

Intermediate Level

Learn how to:

- Braids - regular, knotless and passion/boho.
- Use proper hand coordination, positioning and movement techniques. (HCP&M).
- Provide basic hair care and brief product knowledge.
- Prep Afro hair before braiding .
- Prepare your very own extensions, identify different types of extensions and prep using a hackle equipment.
- Twist senegalese, spring and Afro kinky twists.
- Create smooth, butterfly, passion and/or distressed locs.

** You are advised to attend a minimum of 3 workshops to attain skills that will meet professional standards. Full courses are available which contain more content and resources and you will choose an area to focus in. **

Note: You are advised to choose a specific area to focus however you can do all 3 at a reduced price.

CORNROWS WITH EXTENSIONS

Advanced Level

Learn how to:

- Weave complex and pattern cornrows using different types of extensions.
- Use proper hand coordination, positioning, and movement techniques. (HCP&M).
- Provide basic hair care and brief product knowledge.
- Prep afro hair before weaving.
- Combine your skills attained from beginner and intermediate level.
- Use accessories - beads, metal clips.

** You are advised to attend a minimum of 3 workshops to attain skills that will meet professional standards. Full courses available which contain more content and resources. **

Note: this level makes use of extensions and is not for complete beginners but for those who want to refresh their previous skills to increase confidence, and have good skills in weaving cornrows.
