

About This Course

This is a professionally developed, interactive and engaging online Good Clinical Practice (GCP) Refresher training course which incorporates the ICH E6 R2 update. This course has been updated in 2022 to ensure all current Regulations are covered.

Who is the course suited to?

It is suitable for anyone carrying out or involved in clinical research who has already taken a full GCP course.

Course Contents

Module 1

Recap: Introduction to ICH GCP

Module 2

Roles and Responsibilities

Module 3

Ensuring GCP compliance

Module 4

Knowledge consolidation and exam

Price: £119 inc. VAT (discount available for 6 or more users)

Duration: Approx. 2 hours

As with all of our courses, you are able to take this in your own time, on any device and can pause and restart from where you left off. Time taken will vary depending on your experience and how many of the many optional links and activities you choose to view.
