

ATHE Level 3 Diploma in Health and Social Care

Qualification Number: 603/6568/7

Course Overview

This qualification has been developed to conform to the requirements of the RQF, to meet the requirements of higher education and employers and to meet the needs of learners. It has been designed to introduce learners to the health and social care sector, the roles and career paths within the sector and the main aims, knowledge and ideas underpinning the provision of health and social care. This should support learners in identifying their interests within the sector to support their progression to further training or qualifications, and/or into employment. The units in the qualification will give learners the opportunity to explore the structure of the sector and how it provides health and social care services along with the principles and values which underpin work in the sector. It will give learners an understanding of the need for health and social care provision over the human life span and the knowledge and skills to choose and move forward towards a health and social care job role. They will also gain personal development skills which are essential for success in professional practice.

Modules

The learners have to complete 6 mandatory units to achieve the 60 credits.

- Unit 1 -Structure and Overview of the Health and Social Care Sector
- Unit 2 Principles, Values and Regulation in the Health and Social Care Sector
- Unit 3 -Human Growth and Development
- Unit 4 -Working in Health and Social Care
- Unit 5 -Research in Health and Social Care
- Unit 6 -Personal and Professional Development in the Health and Social Care Sector

Entry Requirements

The Level 3 Diplomas within the IAP are designed to meet the needs of learners who are progressing from study at Level 2, as well as those who are returning to learning

- Learners aged 16 or over, who have recently been in education or training
- 5 or more GCSEs at grades C and above or Grade 4 and above
- other related level 2 subjects
- other equivalent international qualifications.
- Learners will need to have appropriate Level 2 standard in English and in particular Mathematics/Numeracy

Assessment and Verification

All units within this qualification are internally assessed via assignments and externally verified by awarding organisation. There are no examinations in this course. The learner can therefore achieve a Pass, Merit, Distinction or Fail for each unit based on the quality of the work submitted and the assessor's judgements made against the criteria provided.

Course Material

Course material, including presentations; handouts, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners also get the course handbook and tutorial via emails to support the learning.

Online learning

The learner sets the pace for learning and the courses are offered across an academic year basis. Although our tutors encourage the learners to make progress monthly, but this approach is flexible.

Progressions

Learners may progress to

- employment or have increased opportunities for progression in their current role
- a higher level ATHE qualification at Level 4 or above, in a related subject
- the first year of a degree programme
- higher level apprenticeships
