

E-Certificate Verification

Important Notice!
To ensure you are verifying a genuine ProQual certificate, please check that you are on the official ProQual Awarding Body website to verify the certificate correctly. The domain name in your browser tab should read: www.proqualab.com/e-certificate-verification/

To verify an E Certificate from ProQual Awarding Body, please enter the name as it appears on the certificate and the certificate number that appears on the bottom left of the certificate (see Sample).

Full Name

Date of Birth

Certificate Number
