

OTHM LEVEL 4 DIPLOMA IN PROJECT MANAGEMENT

Qualification Number: 610/1780/2

Course Overview

The objective of the OTHM Level 4 Diploma in Project Management is to develop a learner's practical project management skills and prepare them to work in a wide range of contexts. The Level 4 units provide an introduction to relevant project management principles and practice. These units include both theoretical and practical content, and learners will be able to gain knowledge and skills in the areas of project management, people management, and business finance as well as business marketing. They will also learn about the importance of reflecting on their current practice, identifying their own learning needs and professional development. Successful completion of the OTHM Level 4 Diploma in Project Management will support learners progressing to university, and to provide learners with the requisite skills and knowledge to enter the world of work in their chosen sector.

Mandatory Units

- Principles of Project Management
- People Management
- Introduction to Business Finance
- Fundamentals of Management in Projects
- Business Marketing
- Personal and Professional Development

Entry Requirements

- These qualifications are designed for learners who are typically aged 18 and above. The entry profile for learners is likely to include at least one of the following:
- Relevant Level 3 Diploma qualification or equivalent qualification
- GCE Advanced level in 2 subjects or equivalent qualification
- Mature learners (over 21) with relevant management experience (learners must check with the delivery centre regarding this experience prior to registering for the programme)

Assessment and Verification

All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes. To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the assessor. The assessor should provide an audit trail showing how the judgement of the learners' overall achievement has been arrived at. Specific assessment guidance and relevant marking criteria for each unit are made available in the Assignment Brief document. These are made available to centres immediately after registration of one or more learners.

Course Material

Course materials, including presentations, handouts, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorial via emails, in order to support the learning.

Online Learning

The learner sets their own pace for their learning and the courses are offered on an academic-year basis. Although our tutors encourage the learners to make progress monthly, this approach is flexible
