### Assessment and Verification

All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes. To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the assessor. The assessor should provide an audit trail showing how the judgement of the learners' overall achievement has been arrived at. Specific assessment guidance and relevant marking criteria for each unit are made available in the Assignment Brief document. These are made available to centres immediately after registration of one or more learners.

Course materials, including presentations, handouts, assignment briefs and e-books are made available to enrolled learners. In addition to this, the learners will also receive the course handbook and tutorial via emails, in order to support the learning.
