## ABOUT US

We are one of the world's best online platforms, offering courses in everything from office administration, to accounting, to yoga - and much more. All of our 1000+ courses are taught by an expert teacher, and because every course is on-demand students can learn at their own pace, in their own time and on any device.

## OUR MISSION

The mission of Study365 is to provide industry relevant higher education to a diverse student population through innovative technology and experience teachers, enabling you to pursue personal and professional goals.

## OUR VISION

We hope to innovate online education on a global scale, and to be recognized as instrumental in the web application of instructional technologies which facilitate a new generation of e-learning and e-teaching.

## OUR PROCESS

We believe that online learning is the future, and as such, we are fully online. Providing outstanding resources to our learners straight to their laptop or device. We help students everywhere to achieve excellence.

### Get Certified

You'll be assessed by Study 365 on completion of your modules. In most cases you'll be graded instantly, so there is no frustrating waiting around to find out your grade. Depending on the course, you might also be assessed in a real working environment. Successful students will gain relevant certification, many of which are recognised by professional institutions.

# Classroom Management Course

## About the course

### OVERVIEW

#### Make your lessons unforgettable!

Teaching can be tricky, but this course will provide you with the winning formula. This Classroom Management Course is designed to provide the skills you need to successfully plan and teach motivating lessons, including how to develop aims with measurable outcomes, classroom management strategies, and best practices in the classroom.

This course is designed for teachers at all levels including primary and secondary and higher education. It may also be helpful for parents who want more detailed information about the development and education of children and young people.

This course provides the latest research, detailed information and practical skills and strategies important to running an effective and well managed classroom. It will give learners an in-depth understanding of the critical importance of classroom management and its role in the overall behaviour and discipline of students. The course builds on your existing capacity to manage your classroom effectively thus creating an environment that maximises learning for all students.

Learning with Study 365 has many advantages. The course material is delivered straight to you and can be adapted to fit in with your lifestyle. It is created by experts within the industry, meaning you are receiving accurate information, which is up-to-date and easy to understand. This course is comprised of professionally narrated e-Learning modules, interactive quizzes, tests, and exams. All delivered through a system that you will have access to 24 hours a day, 7 days a week for 365 days (12 months). An effective support service and study materials will give you the confidence to secure your qualification.

## WHAT OUR LEARNERS SAY ABOUT US

*Easy to follow and full of great Customer Service. Thank you very much!*

- Qab Deen -

*All the videos broke up on occasions. Easier reading method such as two continuous pages as with Microsoft Word would have been better*

- Alastair Jinks-

*The program is helping me understand lots of fundamentals and I am becoming a better person And I have to really appreciate the customer services that they are providing to students*

- Kevin Delson -

# FAQs

## ✓ Who can take this course?

Anyone who has an interest in working in this field is encouraged to take the course. There are no entry requirements to take the course.

## ✓ What is the structure of the course?

The course is broken down in to modules. Each module takes between 10 and 60 minutes on average to study. Although you are free to spend as much or as little time as you feel necessary on each module, simply log in and out of the course at your convenience.

## ✓ Is there a test at the end of the course?

Once you have completed all modules there are multiple choice questions test. The questions will be on a range of topics found within the modules. The test, like the course, is online and can be taken a time and location of your choosing.

## ✓ What is the pass mark for final the test?

The pass mark for the test is 65%

## ✓ What happens if I fail the test?

If you don't pass the test first time you will get a second opportunity to take the test again after further study.

## ✓ When will I receive my certificate

Once you have completed your test you can log in to your account and download and print your e-certificate any time you need it. If you would prefer us to post you a printed certificate, there will be an admin charge of £29

## ✓ How can I pay?

We use PayPal for all payments on the site. You can either use your Visa, MasterCard, American Express, Solo cards or PayPal account to pay for the online course. All payments are handled securely by PayPal. We also accept bank transfer (BACs). Please contact us for more information about this

## ✓ Is my payment secure?

As previously mentioned your payment is totally secure. We don't get to see your payment details
